

Mike,

It is with great pleasure that I take a moment to document this letter of reference for you, your technicians, and PCT as a company.

Throughout my 11 years in the bar/restaurant business I have yet to encounter a pest control company that can rival PCT's customer service, accurate execution, and timely results.

Prior to choosing PCT as our pest control company, we struggled at length with two different major companies to solve our drain fly dilemma. We went to great lengths to keep our work spaces clean and orderly and yet we continued with this problem.

Within the first month of service, PCT was able to dramatically reduce our drain fly issue. By the second month, our issue had become a non-issue.

Your thorough communication and rapid reaction time has been a great stress reducer for not only me, but my staff that works in these areas daily.

Please feel free to present this letter to anyone you wish. Should they care to contact me directly, I would be happy to speak highly of you and your company. I am available via email/text/phone daily.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin McGehrin".
